OVERVIEW

The goal of this training is to provide participants with the tools to comfortably and effectively communicate with young people about sexuality.

TOPICS

- Discuss why it is so important to communicate with young people about this topic.
- Explore participants' own values with regard to sexuality.
- Consider how these values impact communication with young people.
- Learn strategies to effectively communicate about sexuality with the young people in participants' lives.

PRESENTER

Diane Pike is an Educator/Trainer with Sara & Albert Reuben Partners in Health Education, the education arm of Planned Parenthood of Indiana and Kentucky. She designs and delivers sexuality education and training programs to youth, adults, parents, and professionals in correctional facilities, schools, and social service agencies across Indiana. Diane has a bachelor's degree in Sociology from Indiana University with a minor in Human Sexuality and she is currently in the process of becoming certified through the American Association of Sexuality Educators, Counselors, and Therapists. She has worked at Planned Parenthood since July 2012.
